Your advertisement will also appear on courier-journal.com's Travel Directory, extending your exposure to nearly one million unique visitors who visit our web site every month. You can even link to your web site at no additional cost!

Rates are based upon the frequency of your Travel Directory listings. The basic weekly rate includes a listing with five lines (1/2 inch). There is an additional charge for each additional line. All rates are net, non-commissionable, per week.
